

HAVE YOUR SAY ON LLAIS

Llais is an independent statutory body, set up by the Welsh Government to give the people of Wales much more say in the planning and delivery of their health and social care services – locally, regionally and nationally. You can find out more about what we do here.

As part of our recently launched 100 day plan, we are hosting a national conversation to co-produce our vision, mission, and strategic priorities.

Please use this survey to share your views on what you believe needs to happen, and how you can work with us, to make sure your views and experiences are used by decision-makers to plan and deliver better health and social care services.

You can also use this survey to share collective responses from your group or organisation.

What you tell us will help us to set out the future direction and priorities for Llais's work in the years ahead and help to ensure it works for everyone, in all parts of Wales.

Many thanks for taking the time to get involved,

Alyson Thomas
Chief Executive, Llais

If you would like to discuss the work in more detail, or have any questions relating to the above please contact us by emailing enquiries@llaiscymru.org

Your responses will be anonymous, stored securely, and used for no purposes beyond those outlined above.

This survey is being managed by the Co-production Network for Wales, on behalf of Llais.

There are other ways in which you, your colleagues and your networks can join the conversation before the **closing date of 31st July 2023**:

Join one of our online events for a rich discussion on Llais' future direction with people from across your region
