Cefndir / Background

In April 2023, the Llais Board published a document 'Our first 100 days'. This document highlighted our commitment and drive to take early actions to help make a real difference. It set out our intention to work with people in Wales to build a strong foundation where mutual respect, inclusivity and independence drives all that we do.

At its April 2023 public board meeting, the Llais Board agreed that a document should be produced to report on the delivery of the commitments set out in the 'Our first 100 days' document.

Manylion / Detail

The draft report at Appendix A summarises the actions taken, and progress made by Llais to deliver on the commitments set out in our document 'Our first 100 days'.

The document has been developed from reports provided by each of the 7 Regional Directors and the Strategic Director of Corporate Services and Operations.

Once the content is agreed, the report's design will be finalised, and the document will be published on our website and distributed locally, regionally, and nationally.

It will be made available on our website in Welsh, English and easy read versions. Other accessible formats will be made available on request.
